Abstract

This document is available from the Rootes Archive Centre Web site at <http://tardis.dl.ac.uk/ARCC/Microfiche/microfiche/index.html>. A PDF format copy of this document can be obtained from <http://tardis.dl.ac.uk/ARCC/Microfiche/microfiche.pdf>. You probably won't want to print it as there are over 50 pages, but it is searchable with a suitable PDF reader.

© **Rootes Archive Centre 2011-3**. The Rootes Archive Centre does not accept any responsibility for loss or damage arising either directly or indirectly from the use of information contained in any of their reports or in any communication about their tests or investigations. Whilst we have tried to be as accurate as possible, some errors may have occurred in the cataloguing process or interpretation.

1 Introduction

We are now cataloguing the drawings on microfiche which are stored in a special area of the Archive. These are a mix of many models of vehicle.

A recent discovery is a number of Sunbeam Tiger drawings on microfiche which have not survived in full format. Please ask for more information.

2 Microfiche Drawer 3

Some highlights of this set include:

:

Part Number	Title/Component	Date Drawn	Model	Notes
71044417	Trunnion Spring - Release Bearing Assy - Clutch	03/06/1963		Borg Beck Drg 41628
